

Application: 5' Standard or oval bath tub.

Spans 58.5" - 60+" w/o modification

Major Benefits: Distinction from straight shower rods

- **Stops Leaks:** Curves in 3" at corners. Curtain curves in to retain water
- **Adds Space:** Curves outward in center of tub, 3" beyond straight rod
- **Curtain:** Uses standard curtain.

Optional Stainless Steel **Matching Cover Plates:**  
Use to conceal existing holes without reconstruction or patching.

**Material:**

Tube:  
Stainless Steel  
25.4 mm OD  
.75mm wall thickness  
600 grit finish (bright)

**Brackets (set):**
