

Assembled Dimensions

58" - 61" (5' Model)

71" - 73" (6' Model)

(Optional Straight Rod Available - 5' Model)

Application: 5' Standard or oval bath tub.

Spans 58.5" - 60+" w/o modification

Major Benefits: Distinction from straight shower rods

- Stops Leaks: Curves in 3" at corners. Curtain curves in to retain water
- Adds Space: Curves outward in center of tub, 6" beyond straight rod
- Curtain: Uses standard curtain.

Optional WINGIT FASTENING SYSTEM
for a GUARANTEED INSTALLATION

Optional Stainless Steel **Matching Cover Plates:**
Use to conceal existing holes without reconstruction or patching.
